## Catania ~ A New Benchmark for Inner West living

Catania will comprise of 34 residences with one, two and three bedrooms in two luxuriously appointed buildings. Each residence is oriented to harness absolute privacy, outlook and light. Elegant, private garden amenities weave in and around Catania's grounds while natural materials create beauty and architectural depth.

Subtle yet sophisticated, Catania takes full advantage of the site's dual frontage, linking the vibrant urbanism of Great North Road to peaceful East Street through the compelling composition of refined finishes. Residents can enjoy the exclusive rooftop garden and entertainers' terrace with alluring views to Hen and Chicken Bay and beyond.

Residences are designed to capture the light and energy of their natural surrounds. In the heart of Five Dock, Catania delivers an enviable lifestyle where each beautifully designed home is private, yet feels connected to the community.

Full floor glass opens onto generous garden courtyards and balconies to create additional living space and idyllic flow. Catania's kitchens and bathrooms have Carrara marble bench tops and splashback...
