## SOLD - A Grand Design

Elite luxury, spectacular spaces and an absolute commitment to quality is taken to benchmark levels throughout this unforgettable residence. Without doubt one of Concord's most illustrious and impressive properties, a design that delivers grand entertaining dimensions, refined family retreats and fabulous life style.

This master built home offers 4- 5 bedrooms, 3 bathroom and conveys a clear message - nothing could be finer. Introduced by elegant finishes, ground floor spaces with tiled floors and soaring ceilings, 5th bedroom or study, formal sunken lounge room & huge open plan living/dining areas.

A state-of-the-art kitchen combines form and function beautifully while beyond includes a seductive & private gas heated pool with swim jets. The spacious alfresco offers both Gas & Charcoal BBQ, outdoor marine grade kitchen with granite bench tops & in-built outdoor heating and surround sound.

The yard also offers no maintenance lifestyle with a mixture of granite floors, synthetic turf and spotted gum high lights. This area is further complimented with its own bathroom and shower.
