SOLD - Brand New, Super Spacious and ready to enjoy!

A fresh new design that provides expansive spaces, high-end style and low-maintenance in/outdoor living is ideal for today's busy families, and this spacious dual level residence ticks all the boxes. Brand-new and showcasing a quality designer feel, it has been solidly built with 10 tons of steel and offers the perfect home for those seeking an easy to manage lifestyle and a great space to entertain, with all of Concord's amenities within close range.

Interiors are large, bright and supremely easy-to-maintain with a generous open plan layout featuring cool tiled flooring and extra height ceilings throughout. This area flows easily to a sheltered BBQ patio and landscaped garden with deep level lawn, plus there is a huge auto garage with storage room and internal access.

The kitchen is brand-new and finished with sleek Caesarstone benches, a large island breakfast bar, walk-in pantry and quality AEG gas appliances. There are four well-proportioned upper level bedrooms that each have built-in storage, including a master with walk-in robe and designer ensuite. A full family bathroom and g...
